

ISO 9001:2015 IN-DEPTH

This detailed overview of the standard will provide you with the necessary skills to implement a **Quality Management System** in your company.

CONTEXT

- Successful companies are driven to deliver quality - from the way they operate, to the customer service standards they establish and the products they deliver. This is a strategic vision to improve brand equity and image and ensure you are better equipped to win new opportunities in an increasingly competitive global marketplace.

WHAT IS ISO 9001:2015

- ISO 9001:2015 is an international standard related to Quality Management, applicable to organisations from all types of business sectors and activities. ISO 9001:2015 provides a framework to respond to changing quality requirements in balance with society, economics and environment.

THE COURSE

- With our "ISO 9001:2015 In-Depth" course, you will discover the clauses, sections, terms, definitions, requirements and High Level Structure of ISO 9001:2015. This course will give you understanding of your company's Quality Management obligations and responsibilities. The overview of the standard offered in this course will provide you with the necessary skills to start your implementation process of the Quality Management System in your company.

OUR TRAINING SYSTEM

- LEAD from Bureau Veritas is totally committed to you and your company. For this reason we want to become your specialised training partner in Management Systems. In addition, and in order to adapt to your needs, we have created a totally flexible training system accessible from any place and medium. Thanks to our 24/7 online system, you can manage the training experience yourself.
