

# ISO 45001:2018

## ONLINE SELF ASESMENT TOOL

This fully online tool will provide you an overview of the maturity of your Occupational Health and Safety Management System.

### CONTEXT

- Your company's human capital is your greatest asset, which is why the health and well-being of your employees is one of the key drivers for the success of your business.

The objective of ISO 45001:2018 is to help you create a management system that proactively prevents injuries or illnesses.

### THE SOLUTION

- The objective of our Online Self Assessment Tool is to help you identify areas for improvement in your current Occupational Health and Safety Management System, with respect to the framework established in ISO 45001:2018.

This fully online tool will provide you an overview of the maturity of your Occupational Health and Safety Management System.

This interactive tool based on the requirements of ISO 45001:2018 will help you understand the level of compliance of your current management system broken down by sections and clauses.
